### APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source.

A standard headgate and weir must be installed at or near the point of diversion to facilitate the measurement and control of the water. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained. The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.5 cubic feet per second. (One and one-half)

Actual construction work shall begin on or before September 14th, 1917.

Proof of commencement of work shall be filed before October 14th, 1917.

Work must be prosecuted with reasonable diligence and be completed on or before September 14th, 1919.

Proof of completion of work shall be filed before October 14th, 1919.

Application of water to beneficial use shall be made on or before

September 14, 1921 Proof of the application of water to beneficial

use must be filed with State Engineer on or before October 14, 1921.

WITNESS MY HAND AND SEAL this 14th day

Map filed FEB 28 1917

Proof of labor filed AUG 28 1917

of July, 1917.

Proof of completion of work filed NOV 25 1919

Withdrawn by applicant March 8, 1923

Robert A. Allen State Engineer

State Engineer.
